# COMPANY **PROFILE**

WORLDWIDE FREIGHT SERVICES

# **“ABOUT US”**

Relay Logistics with offices in USA and INDIA, is an International Freight Forwarding, Customs Clearance, FMC and NVOCC with global transportation of Ocean & Air cargo. We operate from all major Seaports and Airports of USA and India.

It's a one-stop logistics solutions company. With the right mix of local and global experience, technology and our heart at the right place we offer a best service in the business of logistics.

# NVOCC AND FREIGHT FORWARDING

---

Affiliated to major carriers, Relay provides a distinctive container service for our client's international and domestic needs. Relay Logistics ensures our clients get prompt service.

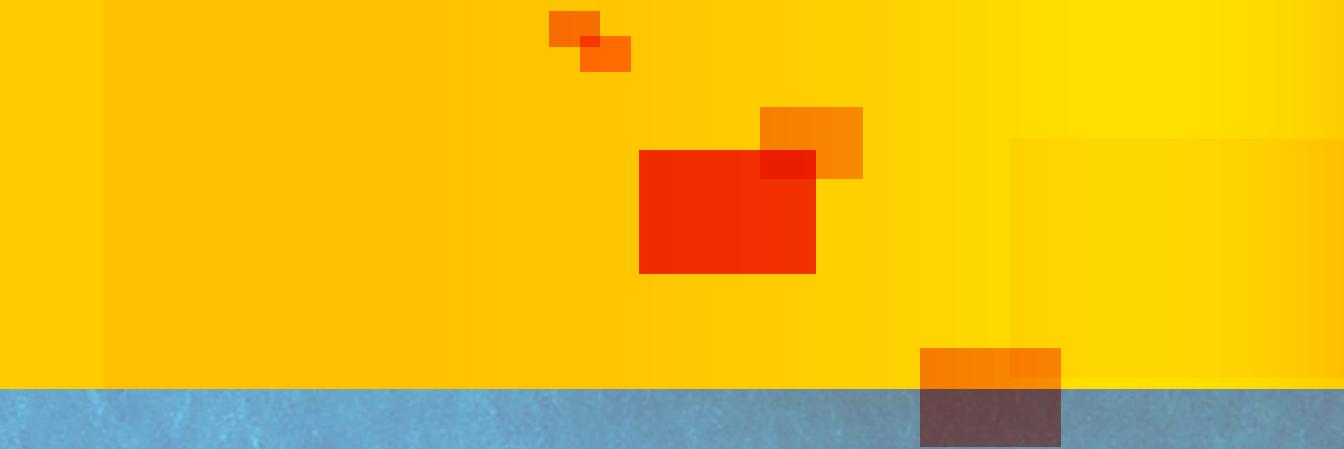

Quality customer support, coupled with exceptional tracking abilities, allow our clients to effortlessly manage and track shipments. At Relay, the customer is always assured of the best of services at very reasonable costs. Speed and reliability have been the hallmark of Relay for all our years in business.

# SEA FREIGHT

---

With no restrictions in the size and weight of the goods, we provide a full array of ocean freight forwarding services right from door to door pick up, advance tracking technology and managing shipping documents. Being an efficient international ocean freight forwarder, we provide comprehensive services to almost all seaport locations. Also known to many as sea freight, this is one of the most cost effective ways to transport cargo, whether for commercial reasons or in case someone needs to ship personal goods while migrating from one country to another.

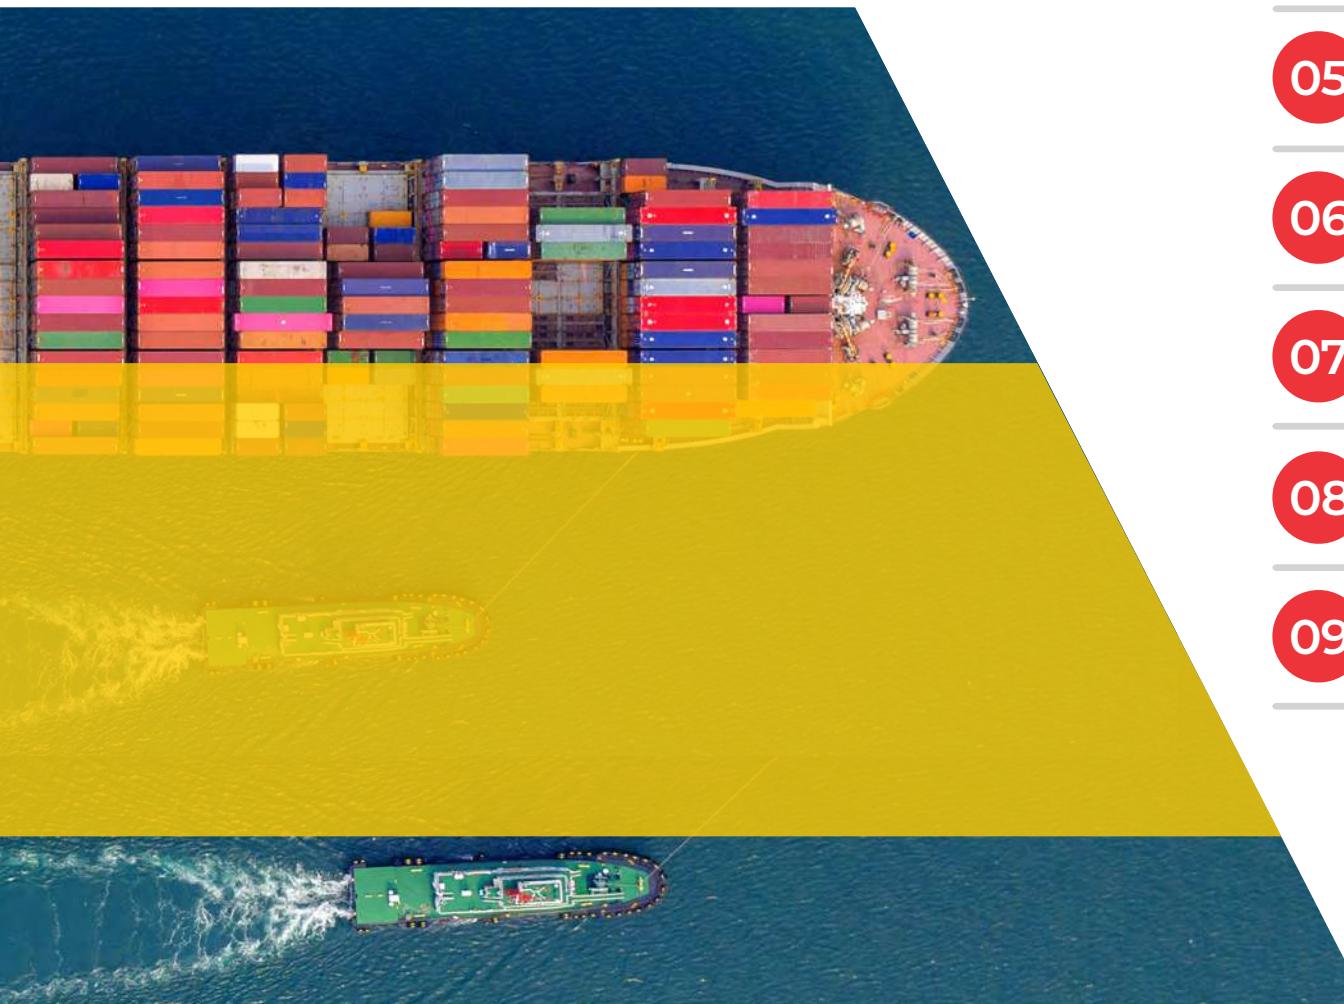

Our experienced associates are trained to guide you through the complexities of international shipping dealing in sea freight or ocean freight. We offer tailored programs to meet our client's full container load (FCL) and less than container load (LCL) requirements and transportation cost objectives. Moreover, we have lined up fantastic offers & most affordable shipment rates for our customers looking for best sea freight services.

# **BREAK BULK / CHARTERING**

---

Cargo that is too big or too heavy to be loaded onto a flat rack container can be loaded directly onto the vessel. These are known as Break Bulk Cargo. By providing best in class services for Break Bulk Cargo, Relay Logistics is recognized as a vibrant Break Bulk Handler. We provide total solution for Break Bulk Cargo. We are an amply experienced Break Bulk Handler. Our staff is well trained and capable to deal with any kind of issue related to Break Bulk Cargo. At Relay Logistics, known for break bulk cargo services, we specialize in a variety of quality charter services. With our flexible & comprehensive service quality, we always make sure that the requirements of our customers are catered efficiently.

Owing to our best in class service quality and timely delivery of the consignment, we have established ourselves as one of the leading break bulk cargo charter services providers in India. We have a team of well-trained team members & professionals fully versed with the complexities of the break bulk cargo world, and thus provide the reliable services to our clients at most genuine prices. At Relay Logistics, we have the best solution for each of your break bulk requirements with our best charter services.

## PROJECT MANAGEMENT

---

Relay Logistics specializes in moving and transporting large and non-standard size cargo. Relay provides innovative solutions to carry extraordinarily large and heavy packages. We facilitate expansion of project opportunities by offering tailor made solutions within your parameters. Our business model urges us to push our job beyond cargo handling.

It is a careful blend of customer service, on-time deliveries and is centred around making your job simpler. So, outsource your logistics related burdens to Relay for any project, any size, to and from any location. For orders that involve door to job site and reciprocal deliveries, Relay helps you right from cargo handling at the source to heavy lift operations to putting together the required permits, paperwork & permissions. Warehousing, marine insurance and customs broking also fall within the purview of our responsibilities. Once you hand over charge of your consignment, practically all peripheral requirements are tackled by Relay.

# HAZARDOUS CARGO / ISO / LEXI TANKS

The term “HAZARDOUS” calls to mind safety norms to be observed in handling. We call ourselves an expert in handling the same as every precaution is taken by us to protect people and the marine environment. Relay Logistics has a strong commitment to principles of safety, health and environmental protection in the storage, transportation and delivery of dangerous goods. Strict controls are in place to ensure that these cargoes are handled safely. We are experts in shipping hazardous cargo that are fully compliant with IMDG Regulations, We specialize in handling the issuance of dangerous goods declaration, classification, packing, repacking, labeling and transport.

We have built a reputation of being experts in the world of hazardous cargo, and are often contacted by other forwarders and liners for advice. Relay Logistics has a dedicated team who is well trained at all levels of the supply chain and regularly update ourselves to keep abreast with the latest technology and issues and regulations to conform to the safe transport of hazardous cargo by surface, sea or air.

# AIR FREIGHT

---

When time is of the essence our clients can depend on Relay's Air Freight services. Relay is a premier service provider in the Air Freight segment. Identifying the correct carriers, making door to airport

preparations, and assisting with all the necessary paperwork are just a few examples of how we assist our clients at Relay Logistics. Relay knowledge of the maritime industry affords our clients the most competitive rates available. Our global network ensures that our clients have unparalleled customer support for transporting their cargo.

# MULTI-MODAL TRANSPORTATION

---

To secure expeditious door to door services, Relay provides comprehensive transport assistance via land, air, rail and sea. Relay's unprecedented drayage service allows quick transfer of cargo from all major sea-ports to the appropriate destination. Long standing partnerships with all major inter-modal carriers promise our clients continued and precise service.

# THE VISION & MISSION

---

Relay's Vision is to provide seamless and easy shipping to its clients. Success and loyalty are its virtue. This has enabled us to serve countless clients earning their loyalty and trust in return. We are relentless and persevering in our goal to reach the top and do so with innovation and ingenuity.

Exceptional teamwork, rigorous planning and unbridled positivity are Relay's core beliefs. Our customers play an integral part in making us who we are. Every ounce of feedback excites us and inspires us to better thus enabling us to be the better service provider at the end of the day.
